Happy New Year From Street Paws!

Street Paws, Inc had an amazing 2014 thanks to the many volunteers and supporters who worked to improve the lives of animals living on the streets of GA. We rescued 25 animals total, had 14 dog adoptions and 1 cat, as well as 161 Trap, Neuter and Release (TNR) successes.

So far in 2015, we have had 3 adoptions, Chico, Tallula and Rooter all found homes! We are looking forward to another great year of promoting responsible pet ownership through humane education, seeking suitable homes for unwanted and neglected animals, and reducing the overpopulation through our TNR efforts.

Visit [http://streetpaws.org/available-animals/](http://streetpaws.org/available-animals/) if you are looking for a new forever friend or would like to sponsor one of our pets!

Recent Adoptions!!

Congratulations to Chico And Tallula
Sugar's owner brought her to our vet to be euthanized. Luckily my vet would not do so and contacted Street Paws to help her. She is a sweet and spunky girl. There was a very young child in the family that would not leave poor Sugar alone. The child was warned repeatedly not to handle her in the manner in which he was so finally Sugar bit him. Her skin was painful and it hurt to touch her in certain areas. She is 10 years old and needs a home without small children. She has been spayed and has had her teeth cleaned. She was very neglected and covered in fleas so she is recovering from skin irritation. She is currently in a foster home with other dogs and is doing well.

Roscoe and Shadow were raised together since they were puppies. They were taken to the vet regularly and always received any medical attention they needed. Their owner brought them to the vet for vaccines and said he would be back to pick them up and then never returned. Attempts to contact him have been ignored. So now these 2 are lost and confused living at a temporary shelter and really need a new home where they can live out the rest of their lives. They are both sweet and loving dogs. We would like to see them get a home together if possible, but will adopt out separately.

Street Paws was contacted one late Friday evening by a concerned citizen. She was walking in the Ingles parking lot in Locust Grove and heard a kitten screaming in the sewer. He had been there at least since Thursday. She contacted 911 but they did not have anyone available to help so I put out a plea with my volunteers to see if anyone was in the area. 2 of the Street Team jumped into action and immediately headed to Ingles. Once there they assessed the situation and one of the volunteers fearlessly climbed down the manhole to find Rooter. He was crying and she kept calling him until he could make his way to her. He was chest deep in cold water. He was only approximately 4-5 weeks old. He was adopted right away!
Meet Zoey

Zoey came to Street Paws in pretty bad shape. She had the worst case of demodectic mange the vet had ever seen and her skin was raw and bleeding all over. She was in a lot of pain and her feet were extremely swollen and bleeding. Sometimes dogs like her do not survive. She is currently in a foster home and has recovered wonderfully. She loves kids, other animals and of course she loves treats!

Wish List for Street Paws!

Street Paws Needs A Trailer

We are need of a trailer to haul pet food donations and materials. If you have a trailer that you are able to donate, please contact streetpaws@ymail.com.

Street Paws Is Looking for Land

Street Paws is looking for someone willing to donate land in Henry county zoned C2, C3, M1 or M2, preferable 2-5 acres or Clayton County, zoned AG. We currently rely on foster families to care for our pets until they find a home. Please contact us at streetpaws@ymail.com if you know of anyone who can help.

Would You Like To Rescue a Pet?

Visit http://streetpaws.org/available-animals/ to see all of our available pets and complete an application here at http://streetpaws.org/adoption-application/.

Are You Interested In Being A Foster Parent?

If you have room in your home and your heart to foster a pet, please visit http://streetpaws.org/foster-application/. Volunteers are also needed to help with TNR. If interested, please email info@streetpaws.org.

To Make A Donation:

To support the mission of Street Paws, please visit www.streetpaws.org/donate or mail checks to Street Paws 925 Alexander Hamilton Dr. McDonough GA 30253.
