REWARD TO HELP US FIND MARGO

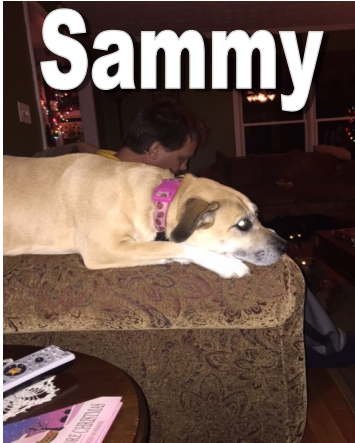

Sweet Margo has been missing since 10/30/15 and was last seen on Branch Road in Rex, GA. She is about 3 years old and a Staffordshire Bull Terrier mix. She is brown with tan on her face and short and stocky. There is a reward for her return. We are desperate to know if she is safe and not in danger.

If you have seen her or know where she is, please call

770-389-1346. Thank you.

HAPPY TAILS

Long time residents Sammy and Roscoe found their forever homes in 2015. They are both looking very happy and comfortable now! We are thankful for the loving families who gave these two a better opportunity. Sammy and Roscoe were with us for over a year, but the right families came along to give them the love that they deserve. Many blessings to Sammy
